

FIRST ANNOUNCEMENT

CALPHAD Conference 2022
May 22-27, 2022, Stockholm, Sweden

We are pleased to announce that the CALPHAD Conference 2022 will take place in Stockholm, Sweden, from Sunday May 22th to Friday May 27th 2022.

The conference topics include, but are not limited to:

- Experimental Phase Equilibria, Thermodynamics and Kinetics
- Ab-initio (first-principles) Predictions to Support CALPHAD
- Thermodynamic Modelling
- Modelling of Diffusion and Phase Transformations
- CALPHAD Modelling of other Properties, e.g. Thermophysical
- CALPHAD Assessments and Database Development
- CALPHAD Applications in Materials Development, Processing and ICME
- CALPHAD Applications for a Sustainable World
- Models, Methods and Tools of Tomorrow

It will be a single-track conference with oral sessions, poster presentations, and social activities. The conference will be an on-site event i.e. not a hybrid conference. Based on the survey, we are cautiously hopeful and expect many participants, but we have the possibility to cancel the conference if the number of participants becomes too small. We will make a decision on March 16.

The conference venue

The conference will be held at [Skogshem&Wijk](#) on Lidingö in Stockholm.
