

CALPHAD GLOBAL

Fourth Announcement

June 2021

We are pleased to send out the 4th announcement for the CALPHAD GLOBAL conference that will take place virtually in June 2021. We are glad to see a lot of people already registered so far. Unlike all the previous 1-week conference, we will have the whole June for the CALPHAD conference this year. All information can be found on the conference web site: <https://calphad.org/calphad-global-home>

Registration

The registration for both students and regular attendees is closed. We have 506 participants in total including 385 regular attendees and 121 student attendees.

Registration fee

Free

Important dates

~~March 18, 2021 — First announcement~~
~~March 31, 2021 — Second announcement and opening registration~~
~~April 20, 2021 — Third announcement~~
~~April 30, 2021 — Last day for poster abstract and video submission~~
~~May 15, 2021 — Last day to register~~

Student Poster Competition

All the posters (abstract, poster, video) were uploaded. Please find them here (<https://calphad.org/best-posters-voting>). You are welcome to check each poster, write down your top three choices, and vote them on the web site. The voting results will be collected and discussed by the organizing committee and the board members to decide the top 10 posters for the poster session to be held on June 24th. The top five posters will win the best poster awards with \$500 prize each!

Meeting Platforms

All the activities will be held with Zoom in the webinar format and also the gather.town in parallel.

[Click here for the zoom webinar](#); Passcode: CALPHAD

[Click here for the gather.town](#); Passcode: Calphad2021

(NOTE: to make sure that you will be comfortably use Gather Town, please try out the demo: <https://gather.town/demo?type=original> and

<https://gather.town/demo?type=office>)

Please log in both Zoom and Gather Town, so that you can listen to the talks/announcements, and meanwhile have side chat with your friends. We will have students in Gather Town helping you once you log in.
